## PREFACE

Forewarned is forearmed, except that a paranoid schizophrenic is intrinsically forewarning himself of dangers that may lie ahead.

On this Saturday late evening have narrowed down the actions pending consideration.

Sunday morning with no sign of any criminal proceedings against me, had to cover over Stripe so corresponded with Stripe and Stripe responded again not addressing the point raised.

So what is going to happen next is anyone's guess. Will proceedings be issued on me on which I pre-emptively deposited a Defence in anticipation as shown here:

I hope that the purpose to which donations are used by The Conservative Libertarian Publications Limited as presently constituted meets with Stripe's approval. If in addition to maintaining our websites we do other things we will ask for Stripe's written permission first.

Accordingly I request that Stripe concludes its Review of our Account today, unless there are further issues that remain to be resolved.

In the meantime I have had my application for Charity status for The Conservative Libertarian Publications Limited acknowledged by BusinessLegal so that discussions have begun. I will update Stripe as the process moves forwards.

Ok you could possibly keep The Conservative Libertarian Publications Limited on Dormant mode and go for the option of setting up a charitable incorporated organisation called 'The Conservative Libertarian Society' registered with Charity Commission.

However the Commission will wish to know what the non charity organisation will eventually be used for and may be concerned at the similar names which could confuse the public. It would be better to have totally different names.

Hello Mike

1. Sorry to keep you waiting. I referred the options that you mention to Stripe to see which option would be acceptable to Stripe for I am in a bit of a predicament as to which path would suit my needs going forwards.

2. It all depends on whether I need to place 'The Conservative Libertarian Publications Limited on Dormant mode (so that I can revive it if I need to at a future date to sell my ~300 books) and

go for the option of setting up a charitable incorporated organisation registered with Charity Commission has advantages and disadvantages. So my question is can I have both 'The Conservative Libertarian Publications Limited registered with Companies House and say 'The Conservative Libertarian Society as a Charity registered with the Charity Commission that would be more what Stripe would accept.

3. I set my objective for today to Stripe as follows:

Dear Stripe

It is vital that all payments and payouts received by The Conservative Libertarian Publications Limited in through the Join it, and the two Brilliant Directories websites that we have created is processed through Stripe.

Apart from the maintenance of our websites that Membership Funds and Donations will be used for, we wish to build and maintain a Hindu Vishista Advaita Vedanta temple devoted to Sri Krishna/Durga and worshipping our God through pujas in the United Kingdom as a long-term objective if we get sufficient funds.

I trust this now adequately answers all Stripe's questions for the Review to be completed today.

Dear Mike

I solemnly give the undertaking that you specify that Vishista Advaita Sampradaya will only do charitable religious work on a day to day basis, such as developing our congregation through the Membership Account with Stripe at Join It.

From my point of view we can now move forward with Stripe accepting that it will remove the existing 'The Conservative Libertarian Publications Limited Account that is in place and replace it with Vishista Advaita Sampradaya Account immediately as going through the process of being registered with the Charity Commission once we have the plan that would be acceptable to the Commission and Stripe.

If this is a plan that Business Legal Limited can undertake, please let me know your Fees, sending me an invoice for the work is needed.

I look forward to communications both from yourselves and Stripe in this regard.

Yours sincerely

It is vital that all payments and payouts received by The Conservative Libertarian Publications Limited in through the Join it, and the two Brilliant Directories websites that we have created is processed through Stripe.

Apart from the maintenance of our websites that Membership Funds and Donations will be used for, we wish to build and maintain a Hindu Vishista Advaita Vedanta temple devoted to Sri Krishna/Durga and worshipping our God through pujas in the United Kingdom as a long-term objective if we get sufficient funds.

I trust this now adequately answers all Stripe's questions for the Review to be completed today.

Went into Join it Account and it was functional so selected Finance/Payout/ to try and locate Contact Support to check on the verification of The Conservative Libertarian Publications Limited in Stripe as I had been doing for several months, and it was no longer available to me perhaps because as the evidence shows the company has changed the name of my Account to 'Theconservativelibertariansociety'. This is also seemingly the reason that Mike Farell of Business Legal did not reply when I asked him to send me an invoice so a contract could be signed as discussed with him.

State-persecutor sends Dr Shantanu Panigrahi a criminal anonymous email  
 in General Discussion

For the persecutor who sent me a criminal anonymous email yesterday evening at around 8.30 pm (UK-Time) that I deleted from my Gmail inbox, all mail and Bin folders, I would ask you to try again with better chance of success; for I have succeeded in disposing off the criminal proceedings against me with the linked correspondence: Disposal of criminal proceedings (knowledgeassessmentanddissemination.com)

<https://www.knowledgeassessmentanddissemination.com/post/disposal-of-criminal-proceedings> .

I have no bail currently imposed on me by Kent Police with the disposal of its revived attempt to manipulate proceedings accordingly, and equally, I have no Summons Referral to Medway Magistrates Court outstanding for 10 November 2023, 2 pm Trial Hearing

All future correspondence on this matter should be sent to Olives Solicitors at info@olivessolicitors.com who are my legal representatives in this matter.
